PAULA & DIEGO 1904

Hello Mehmet

Here we are back to reality after our honey moon... It was so nice that we wanted to stay there!

Here I send you the picture that we have taken that day in the cruise. It was really nice to meet you and we both wanted to thank you for sharing your knowledge with us.

We hope your exhibition was a success and that ends perfectly this week. I enter your home page but it is in Turkish and I could not find the way to read it in English. Regards,

Paula and Diego from Argentina

(Ege Adaları gezisinde tanıştık- We have met in Aegean Ship Travelling)
